

Dear Parents, Staff and Girls

### **Play it Forward Competition**

An exciting and fabulous opportunity that cannot be missed.....!

We have been **invited**, as one of only 500 schools nationally, to participate in MySchool's *Play it Forward* Initiative. This is a fabulous competition where Springfield could stand to win **R100 000.00** for the school and, even better, another R50 000 for a **charity** of our choice.

Springfield stands an excellent chance as we are one of MySchool Card's Top 8 participating schools on a national level in terms of using our MySchool cards! All we need to do now is **register** for this game. We have 2383 supporters of the MySchool card of which an average of 598 of you support and swipe your card on a regular basis generating funds on an average of R10 000 per month which is truly phenomenal and again a **sincere Thank YOU!**

This competition is a MySchool initiative and sponsored by their partner Woolworths, who in addition to the wonderful cash prize, is donating loads of small prizes.

But back to the competition and how to win R100 000.00! **Immediately**, we need to:

1. Firstly, make sure you have a MySchool Card or a linked Woolworths card. If you don't have this, please register on line at [www.myschool.co.za](http://www.myschool.co.za).
2. All current MySchool card holders need to register for this competition. There are three easy ways to do this:
  - Sms the word PLAY+ PIF Number (see below) + MySchool Card or Linked Woolies Card Number to 31155.
  - Call MySchool on 0860100445 and stipulate registering for Play it Forward.
  - Log on to [www.playitforward.co.za](http://www.playitforward.co.za) and register.

This is a Junior School competition but we are going to give this our full support and appeal to the whole school to participate in this competition. Each of the senior classes, along with the preschool, staff and past pupils, will all "adopt" a class in the Junior School and give it our full weight.

We need you to rope in your family and friends to register for this competition using one of the Class Codes (pif numbers) below as we certainly aim to be a strong contender!

This competition works on a point's basis. The criteria to gain points is a combination of the following criteria: a) swipes per person b) number and variety of items bought per person (not based on total expense) and c) number of different Woolworths stores visited by one person (now there's a challenge). So, it's not about the value that you are swiping, it's more about this variety that they are looking for.

Below please find the Class Codes (Pif Numbers) that we each need to support and which need to be quoted when you register for this competition.

<b>Class Code (Pif Number)</b>	<b>Users</b>
P5856	Grade 1S & Pre C & Grade 9 2

P5908	Grade 7B & Grade 9 1 & Past Pupils (S-Z)

Letters have been sent home to all the Junior Parents but it is imperative that we register for this competition **TODAY!** Your swipes will not count towards the competition unless you have done the **simple registration**. The competition **ends on 31 May 2010**.

Please let's stand together and give this amazing opportunity our full support. Come on **we** can do it! You will be able to track our progress on [www.playitforward.co.za](http://www.playitforward.co.za)!

Kindest regards
