Words of Wisdom

“The happiest people don’t necessarily have the best of everything; they just make the best of everything they have.”

The richest person is not the one who has the most, but the one who needs the least.

*Live simply.....
Love generously ...
Care deeply ...
Speak kindly*

A smile is the shortest distance between two people.

Destiny is not a matter of chance; it is a matter of choice.

No one can do everything, but everyone can do something.

Genius is the ability to reduce the complicated to the simple. - C.W Ceran

The quieter you become the more you can hear.
