MESSAGE FROM THE JUNIOR SCHOOL PRINCIPAL

#One Community, One Heart

"Gratitude is the powerful process of shifting your energy and bringing more of what you want into your life. Be grateful for what you already have and you will attract more good things"

~ The Secret ~

Dear Parents and Guardians

As you read this edition of the Veritas News, we will have come to the end of another remarkable term at our beautiful school. As we reflect on the strides made in our journey of growth and learning this term, we are thrilled to share the wonderful achievements and endeavours of our vibrant community.

Together, we've embarked on an enriching project-based learning and thinking journey, fostering critical skills and nurturing creativity in our students.

Project-Based Learning and Thinking Journey: Our commitment to shaking up our curriculum by embracing Quest (Project Based Learning) across the Junior School, has yielded excellent results this term. Our girls have delved into hands-on projects, exploring real-world problems and developing innovative solutions. Through this approach, they've not only expanded their knowledge, but also honed their problem-solving and collaborative skills, preparing them for the challenges of tomorrow. Our Thinking journey has gathered pace, and it is outstanding to see how the girls apply this in their everyday learning in the classroom. The Showcases on Wednesday brought all the theoretical applications alive. This was another proud moment in our curriculum journey.

Social Justice Initiatives: Think Equal and Heart Matters: In our pursuit of social justice, initiatives such as Think Equal and Heart Matters have been pivotal this term. Through these programmes, our girls have engaged in meaningful discussions, promoting empathy, understanding and inclusivity. By raising awareness and advocating for positive change, they've demonstrated the power of compassion and caring for others in building a more just and equitable society, starting at Springfield Convent, then changing our communities and our country.
