## MESSAGE FROM THE JUNIOR SCHOOL PRINCIPAL

*#One Community, One Heart*

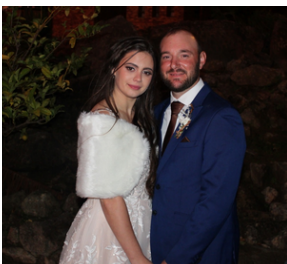

“What counts in life is not the mere fact that we have lived. It is what difference we have made to the lives of others.”

*~Nelson Mandela~*

Dear Parents and Guardians

As you read this, we would have celebrated Madiba Day and hopefully all of us would have done our 67 minutes of making a difference in the spaces we found ourselves in. We have certainly ensured that all in our Junior School made their imprint today. Before I reflect on the legacy of this giant of a man and world icon, I would like to welcome you all back to Term 3. Despite the cold, wet and stormy Cape weather, the energy, happy smiles and enthusiasm of our girls have certainly warmed the classrooms and our school spaces. May it be a happy, blessed and productive term for all of us.

I also welcome all our new families who have joined this term. May you feel the warm welcome of this amazing community and have a happy time.

We congratulate Ms Annika Noad, who became Mr Annika Heins during the school holiday. We wish Mr and Mrs Heins every blessing and a lifetime of happiness in their beautiful union of husband and wife.

These past two weeks have also been really trying and challenging for the entire school community as we bid farewell to Ruvarashe Makoni, who sadly passed away after a short illness. The beautiful sendoff in our St Dominic's Chapel, that was overflowing with people from all sectors of our school community, was an embodiment of how we live out our value of compassion. May Ruva's life, whose name in Shona means 'God's flower', inspire us all to live and celebrate each day, knowing that every day is a gift given to us from God, and may her memory live on through our daily actions.
